

Dimensions

Chairs CA-4, CA-2

- b : 24" (610 mm)
- c : 31½" (800 mm)
- h : 21¼" (540mm)
- d : 18" (457mm)
- e : 19" (483mm)

Armchairs CA-2-52, CA-4-52

- a : 25" (635mm)
- b : 24" (610mm)
- cc : 31½" (800 mm)
- d : 18" (457mm)
- e : 19" (483mm)
- f : 6¾" (172mm)
- g : 25" (635 mm)
- h : 21¼" (540mm)
- i : 17½" (445 mm)
- j : 9" (229 mm)

Dolly

21½ x 27" x 23½" H. (546 x 686 x 597 mm)

Dolly with 20 chairs

Total height : 62" (1575mm)
Depth: 38" (965mm)

Specifications

The CAT Series consists of stackable chairs and armchairs on sleigh base or four legged, w/ or w/o handling grip, w/ or w/o or casters, chairs with a flip-up writing tablet and dolly.

The sleigh base and four legged frames are made of ¾" diameter (19 mm) 14-gauge bent steel. Black plastic weld covers are fitted at structural joints and semispherical finishing caps at tube ends.

Armrest support on armchair is part of the frame and reinforced with a 9/16" (14mm) diameter steel rod. The backrest is made of 5/8" diameter 16-gauge steel.

The seat is made of 14-gauge tubular steel screwed to two 3/16" (5mm) thick flat steel brackets welded to the frame and can be field replaced.

The backrest and seat use the A.D.I. "suspension" technique: flexible woven plastic belts are slipped onto the frames and pulled taut. The belts are covered with fire retardant ¾" (19mm) thick foam, and a ½" (13mm) thick sheet of high density foam is inserted inside the seat.

Fabric or vinyl covers complete the upholstery and are neatly held in place with zippers.

The armrests are molded polyurethane.

The retractable flip-up and removable writing tablet is made of ¾" thick mdf (19mm) covered with a black high-pressure laminate on both sides . It is attached to a hinge welded to the ¾" diameter (19 mm) 14-gauge steel tube.

The sleigh base is fitted with four nylon glides and the four legs with swivwl head metal glides.

The steel dolly can accommodate 20 chairs or armchairs (2 pivoting and 2 fixed casters of 4" diameter (100 mm)). It is finished in black powder paint.

Colours and finishes

The frame is available in chrome, brushed chrome, black, sandy black, chrome, silver grey, dark grey, light grey and beige.
