miniflex

Mini size, maxi versatility. The stackable MINIFLEX is a universal chair, or just about: upholstered in fabric or vinyl, it features optional armrest, handling grip and flipping writing tablet and bookrack. It is available on 4 legs or a sleigh base. This wonderfully light and practical chair fits in almost any setting.

Greenguard certified, manufactured in ADI's ISO 9001 and ISO 14001 compliant facility.
